Mott MacDonald

Global Aviation Sector Leader

www.mottmac.com

Chris Chalk is Mott MacDonald's aviation sector leader and has worked on development at well over 100 airports in over 50 countries ranging from development strategy and demand forecasting to master planning, design and operational monitoring.

His recent experience has been in lead roles at JFK, Hong Kong, Istanbul, Singapore, Heathrow, St Petersburg, Quito, Male and South African Airports. With experience advising on airports of all sizes for 30 years, Chris is well acquainted with the wide range of needs that the sector presents. Chris is a former Chairman of the British Aviation Group and sits on the Transport Expert Panel of the Institution of Civil Engineers.
