Ricondo & Associates, Inc.
Senior Vice President, Business Development
and Client Services
www.ricondo.com

James T. Jarvis, Senior Vice President for Business Development and Client Services with Ricondo & Associates, Inc. (Ricondo), has 30 years of experience in the planning and design of transportation systems with an emphasis on airports. His technical expertise includes on-airport land development, airport landside systems, terminal programming, and revenue forecasting and enhancement.

His consulting experience includes principal-in-charge roles for various engagements including airport master plans, land use and development studies, facility requirements and programming, and revenue analysis & modelling for airport landside facilities including parking, commercial vehicles and rental car facilities.

Mr. Jarvis has provided consulting services to clients in North America, Asia, Australia, Europe and the Middle East. Prior to joining Ricondo in 2000, Mr. Jarvis was the Manager of Transportation Planning for the Massachusetts Port Authority, owner and operator of Boston-Logan International Airport and other transportation facilities. He currently serves as Ricondo's liaison with ACI, ACI-NA, and ACI EUROPE.
