

Instructor Biography

Kevin Haagen
Course: Airport Slot Allocation

As Airport Capacity Manager at Amsterdam Airport Schiphol Kevin has been fully occupied with airport slots since March 2017. His main responsibilities are to analyse airport capacity, to advise regarding the airport capacity declaration, and to analyse the use of airport slots at Amsterdam Airport Schiphol. Kevin is and has been actively involved in the revision of the World (Airport) Slot Guidelines, specifically in the field of Slot Performance Monitoring.

Kevin completed his Master's in Aerospace Engineering at Delft University of Technology, the Netherlands, including a specialization in Airport Operations, Air Traffic Management and Safety. After completing his MSc, Kevin worked as a building project manager at Amsterdam Airport for two years, before starting his current role.
