

ACI Global Training Instructor Biography

Name: Joe Hazeldon, AVSEC PM

Courses: ACI/ICAO Management of Airport Security

Joe Hazeldon draws on a wealth of experience gained over 35 years across the military, public, and private sectors. With Diplomas in Aviation Security, Electronic Engineering, Engineering Management, and qualifying as an ICAO AVSEC Professional Manager in 2005, Joe has specialized in Aviation Security, recently spending over 6 years in the Middle East, primarily focused on practical knowledge transfer, he is certified as a National Instructor (ICAO ASTP).

Demonstrating a solid understanding of the requirements of Annex 17, Joe has contributed by influencing changes to National Civil Aviation Security policy, delivering practical operational implementation and producing quality oversight of the National Carrier, Foreign registered Airlines, Airport Stakeholders (Passenger and Cargo processing Terminals, Catering, Maintenance, ATC, facilities, etc.) conducting in excess of 100 Aviation Security audits and inspections in around 50 countries in Asia, Australasia, Africa, North and South America and Europe.

Previous industry roles have seen Joe appointed as Security Manager with the Hong Kong Airport Authority, Operational Manager with AVSECO (Aviation Security Company), AV Sec Consultant in South Korea, Singapore and Italy (attached to the US FAA), large scale Baggage Handling System Operational Management and the successful implementation of the world's first commercial Automated baggage Reconciliation System (ABRS).

He is one of the 129 certified EU Independent Validators (EUIV), qualified to deliver ACC3 (Air Cargo Carrier – 3rd countries) security audits globally to airlines and ground handling companies and is engaged by IATA as a regional Instructor.

Joe is currently appointed as an aviation security consultant and Instructor with McClumpha Associates Ltd. and is a Senior Aviation Consultant at an independent Aviation Consultancy with headquarters in Hong Kong.
