

ACI Global Training Instructor Biography

Ibrahima Wane
Courses: *Safety Management Systems,*

Mr. Ibrahima Wane has 25 years of experience in the aviation safety field, recently joining the new Blaise Diagne International Airport in Diass, Senegal in January 2018 as Deputy Head of Quality, Safety and Environment Department. He also serves as President of the airport's Runway Safety Team.

Ibrahima is currently the Vice-President of the Safety and Technical Regional Committee for ACI Africa as well as a member-at-large for ACI World's Safety and Technical Standing Committee. He has likewise participated in ACI's Airport Excellence (APEX) in Safety reviews as a Safety Management Systems (SMS) expert in Cameroon, Congo and Bangui.

Recognized as an accredited safety instructor by the Civil Aviation Authority in Senegal, specializing in airport ramp safety, vehicles and equipment, his additional accreditation and certification include:

- Holder of Trainer the Trainers Certificate in Airside Safety, Rules and Regulations in Movement area – AIRTRACE, Geneva, Switzerland (2017).
- ICAO Aerodrome Inspector – Incheon Aviation Academy, South Korea (2015)
- Expertise in Air Navigation Safety, OSA integrating human factors and Psychology analysis in safety, Decision making, SMS implementation and accident investigations process - IFSA, Paris, France (2012)
- Internal Quality Auditor – ASECNA, Dakar (2014)
- Airport Ramp Operations Manager - Singapore Aviation Academy, Singapore (2010)

Ibrahima graduated in 1990 from the Faculty of Law and Political Sciences of the University Cheikh Anta Diop in Dakar. He also holds a Diploma (Honorable Mention) from the Regional School of Air Navigation and Meteorology of ASECNA, specializing in Weather-Class IV OMM (1993) and a Diploma from the Civil Aviation Academy of Casablanca, Morocco (2006) in ATC.

Prior to his current position, he worked at Léopold Sedar Senghor International Airport from 2006 to 2017.
