

JOB ANNOUNCEMENT

ENGINEERING TECHNICIAN V

**CHICAGO DEPARTMENT OF AVIATION (CDA)
GIS & UTILITIES SECTION**

Number of Positions: 1
(Additional vacancies possible pending budget approval)

Starting Salary: \$75,336; Grade B-14

Applications for this position will be accepted until 11:59pm CDT on Friday, September 4, 2026.

Note: The candidate(s) selected for hire must pass an airport background check and a Security Threat Assessment(STA).

This position is open to all current city employees covered under the City's Collective Bargaining Agreement with AMERICAN FEDERATION OF STATE, COUNTY, AND MUNICIPAL EMPLOYEES (AFSCME) – BARGAINING UNIT 1, 3, 4 & 5. Only employees in City job titles in this bargaining unit are eligible to bid.

BID INSTRUCTIONS: Apply on the bid
site: <https://chicago.taleo.net/careersection/103/jobsearch.ftl?lang=en> AND

- 1. Check the box on your profile titled "Currently employed by the City of Chicago"**
- 2. Enter your employee ID (located on your pay stub labeled 'payee/employee number')**
- 3. Select your correct bargaining unit**

FAILURE TO FOLLOW THESE INSTRUCTIONS WILL RESULT IN A REJECTED BID APPLICATION

Under direction, participates in a variety of specialized and/or complex para-professional engineering projects or acts as a working supervisor in an assigned area of responsibility, and performs related duties as required.

This class is the advanced level in the Engineering Technician series. Positions in the class series are allocated across various City departments in support of engineering work which may include but are not limited to projects involving the design, maintenance and construction of water mains or sewers, roads, bridges, street maintenance, traffic engineering and/or traffic control.

ESSENTIAL DUTIES

- Ensure that CDA infrastructure assets are identified, inventoried, and tagged consistently and correctly, GIS database records representing infrastructure assets accurately reflect field conditions, and the operating conditions of infrastructure assets are recorded and regularly evaluated for asset performance over time
- Work with contractor staff engaged in construction and commissioning of new infrastructure assets, or decommissioning of existing infrastructure assets
- Navigate all areas of Airport property to locate and collect or confirm data pertaining to specific infrastructure assets
- Identify infrastructure assets by visual inspection or interpretation of technical software files, drawings, manuals, specifications, and other materials
- Affix and remove asset tags or direct others to affix and remove asset tags
- Coordinate with airport staff and contractors responsible for asset commissioning, decommissioning, assessment, operation, and maintenance
- Articulate infrastructure asset tagging goals and requirements and redirect CDA or contractor staff when goals and requirements are not being met, potentially including conflict resolution.

Additional duties may be required for this position

Address: 10510 West Zemke Road

Hours: 8:30 am – 4:30 pm, Monday – Friday

THIS POSITION IS CAREER SERVICE.
